Candles

We have produced a variety of hand-crafted candles, many of which are infused with Swedish tea and other natural fragrances. Come enjoy the scents we offer and learn how we can supply your hobby with candle making fragrances, soy wax, jars, kits, and other supplies.

Foods

We have a selection of classic Swedish foods and are working to develop our own line of nutritious Nordic inspired baked goods, berry leather, and more. Aspiring bakers and Cottage Food Operators are welcome to learn about our baking contest prizes and wholesale ingredients. We will also have free samples available for guests to enjoy during our After Christmas Sale.

Collectibles

We have an ever changing collection of imported Swedish collectibles produced by Rorstrand, Kosta Boda, Orrefors, and more. We also have a variety of hand-crafted Swedish Christmas ornaments, fine art prints, and gifts, many of which would also be excellent for Valentines Day and are all available for 35% off in our 3 day only after Christmas sale.
